Virtual Environments 

# AI Program Roadmap

## Industry Partners

Automation Services

Communication Services

Knowledge Mgmt Services

Data Analytics & Business Intelligence

Video, Image, & Audio Analysis Services

Organizational Readiness Assessments

Emerging Technology

# AI Program Roadmap

## Innovation Lab: Engagements and Events

Microsoft: Hackathon 

Workshops: Prompt Engineering 

Future Events

# AI Program Roadmap

## **Horizon 2: Partnerships (POC, POV, and Pilots)**

*Goal: Accelerate innovation through controlled pilot projects  
and public-private collaboration.*

# AI Program Roadmap

## **Horizon 2: Workforce Readiness & POC, POV, and Pilots**

### **Key Initiatives:**

- Partnerships: Work with Georgia Tech, UNG, GSU, and TCSG on workforce development and apprenticeship programs.
- AI Champions Network: Identify and train agency-level “AI stewards” to drive adoption and governance.
- Pilot Sandbox: Launch agency pilots in areas like document automation, fraud detection, chatbots, language access, or traffic optimization.
- Partnership Exchange: Engage non-profits and industry partners via a challenge-based procurement model for co-development.
- Ongoing Risk Monitoring: Implement continuous auditing of AI models in production.

# AI Program Roadmap

## Partnerships

Ethics Guide - Playbook and Training 

Internship Program 

## Tools Pilots

Microsoft Copilot

OpenAI

# AI Program Roadmap

## **Horizon 3: Sustained Innovation & Leadership**

*Goal: Position Georgia as a national leader in ethical and effective use of AI in public service.*

# AI Program Roadmap

## Horizon 3: Sustained Innovation & Leadership

### Key Initiatives:

- **AI Platform Services:** Offer shared, scalable AI tools via Georgia Technology Authority (GTA) for common needs.
- **Transparency Portal:** Maintain a public website/dashboard to explain how AI is used in government, with FAQs, oversight info, and public feedback options.
- **Policy Leadership:** Influence state, inter-state, local AI policy discussions, and contribute to model frameworks.
- **Exportable Playbooks:** Publish toolkits and case studies to help state agencies, and other states follow Georgia's lessons learned.

# AI Program Roadmap

## Workshop Topics Suggestions

*Goal: Establish a stream of conversation opportunities with agencies and industry partners*

# Questions and Comments

Next Meeting:

Thursday

12:30pm-2:00pm

**June 12th, 2025**
